

To whom it may concern

I hereby certify that B.A. Rami Saari, born in 1963 in Israel, has with remarkable success worked as a full-time teacher of Hebrew in the Jewish School of Helsinki from the middle of August 1990 till the end of May 1991.

In my opinion Rami Saari would be an asset to any educational framework and I recommend him highly for any such position.

Helsinki, May 15, 1991
